EVENT GOALS

Event Goal 1

Proceeds from this event will go towards building out the remainder of our events for the year. With nearly a \$40,000 projection in payout expenses from coordinating 4 events each month from September to January 2025. Your sponsorship aids in our success and allows us to continue to provide unique and entertaining experiences for our community.

Event Goal 2

Prior to Corona Virus, Lezchic' hosted a bi-weekly event similar to this one that was taking off effortlessly. Our last event was the day of the shutdown and we were unable to host. Its been nearly 5 years since then. We are hopeful this event brings us back to our roots and opens windows of opportunities for us to reclaim our venue.

Event Goal 3

OVERALL the initiative is ALWAYS to curate consistent, safe, fun and unqie events for the queer community here in Miami, FL. Our goal is to OUTDO ourselves. Pushing for the support and mind blowing turnout we had at our very first event 6 years ago, with over 600 attendees , We aim to continue gifting everlasting memories.
